Agriculture Leadership Awards 2025

Agriculture in India has come a long way since green revolution. There is a revolution taking place in agriculture sector, driven by the hard work of farmers, progressive government policies, sustained interventions by institutions and corporates and the innovative solutions by startups and individuals. The role of these stakeholders in driving the growth and value-added transformation of India's farm sector is commendable and needs to be recognised and felicitated. Responding to the needs at the national level to recognise the contributions of various stakeholders in agriculture, the magazine took a step forward to reward and motivate individuals and organisations for playing leadership roles in agriculture. The institution of Agriculture Leadership Awards in 2008 was the first step in this direction.

The Awards are presented annually in different categories to individuals and organisations, who have made outstanding contributions in their respective fields. The National Awards Committee is headed by Justice P Sathasivam, with a dozen persons of national eminence as its members. The selection of awardees is done through a two-tier system. The awards sub-committees will be headed by a member of the national committee. All the applications and nominations received by the Awards Secretariat will be put up to the respective sub-committees, which will in turn recommend names to the National Committee for the final selection.

The awards function will be held on **July 9, 2025** at New Delhi. The details can be visited at www.agriculturetoday.in.

Outstanding Professional Awards

The Outstanding Professional Awards recognize exceptional middle management professionals in India's food and agribusiness sector who have demonstrated rapid career advancement and made significant contributions to their organizations. These awards celebrate sector leaders who drive innovation, deliver measurable business results, and inspire excellence within their teams and the broader industry.

Professionals meeting the criteria below are invited to submit a concise write-up by email for consideration by the Jury.

Eligibility Criteria

- Possess a technical or professional qualification from a top-ranked institution in India or abroad.
- Have 7 to 21 years of professional experience, with at least 5 promotions reflecting consistent career growth.
- Have successfully led the launch of new products, technologies, programs, or business models that achieved high market acceptance.
- Demonstrated ability to deliver a minimum of 10% growth in business, sales portfolio, or the performance of launched products/programs.
- Exhibit strong leadership, fostering a culture of knowledge sharing, mentorship, and inspiration among peers and teams.
- Uphold organizational values, demonstrate agility, and contribute to building a positive and innovative work environment.
